

Body Language Charades

SCENE ONE

You were on Facebook all night and only got 2 hours of sleep...

(TIRED!)

SCENE TWO

Out of 100 people who tried out, you just found out that you made the team and are going to be a starting player on the Varsity Squad!

(EXCITED!)

SCENE THREE

Before you got on the bus, your parents told you that you were grounded this weekend. They said that your room was messy and hasn't been cleaned in three weeks even though they've asked you five times.

(ANGRY!)

SCENE FOUR

Before you left for school, you went to feed your pet goldfish named Princess, and you saw her floating on its side on the top of the water. She's dead.

(SAD!)

SCENE FIVE

You ate five frosted berry pop tarts and two cans of Mountain Dew before first period this morning. It was truly the breakfast of champions.

(HYPER ACTIVE!)
